

Dear Prospective Resident and/or Family:

Thank you for your inquiry about St. Joseph's Senior Home. I have enclosed an application that must be completed in full and returned to the facility for consideration for admission to either our Assisted Living or Nursing Center. A non-refundable fifty-dollar (\$50.00) application fee must accompany the completed application when it is returned to us.

Return the completed application promptly so that our Admission Committee can review it for approval. It may be necessary for the prospective resident to be interviewed or evaluated in person prior to approval being rendered. You will be contacted, as will the sending facility where applicable, if additional information is necessary to thoroughly assess the resident for possible admission. Once approved, if there is an available bed, admission will be scheduled.

If a room is not available, the applicant's name shall be placed on the waiting list in the order that it is received. He or she will be notified once a room becomes available in the area for which the application is being made and is appropriate to meet individual needs.

Please be sure to complete the application in its entirety and have your attending physician and the hospital or other facility provide all necessary medical information to assist the committee in evaluating the prospective resident's specific needs.

All financial information, as well as proof of any legal authorizations must be provided at the time of application. Should the application be incomplete when submitted, you will be notified of information that is lacking and the application will not be evaluated by the Committee until all necessary information is received.

The content of the application shall remain confidential and is utilized for the sole purpose of evaluating the prospective resident's status for admission.

Note: Charges to be incurred are for basic services in Assisted Living. Additional services are provided at additional cost dependent upon individual needs as assessed by our health care team. Each resident upon admission will be assessed. This assessment will again be completed when a physical or mental status change of condition occurs to ensure that all needs are being met. Charges in the Nursing Center reflect skilled nursing care needs and are charged accordingly to private pay, Medicare or Medicaid as applicable.

Sincerely yours;

---

Sister Elzbieta Lopatka, LNHA  
Administrator

Reaction to end of marriage \_\_\_\_\_  
Grief counseling for 6 months

Any children?      NO ☐      YES, # \_\_\_\_\_

Name (s) of children:

David Martinescu

## LIVING WILL/ADVANCE DIRECTIVE FOR HEALTH CARE

In New Jersey, competent persons entering a health care facility have the right to complete and set forth his/her wishes for health care. In the event that he/she subsequently loses decision making capacity. That is a "Living Will" (Advance Directive). A "Proxy Directive" is commonly known as a Durable Power-of-Attorney for health care. This designates a health care representative to make health care decisions on Resident 's behalf, in the event that the Resident loses decision making capacity. Both documents or a combination of both must be signed by the person and witnessed by two witnesses. Documents can be modified or revoked at any time. If you need more information or would like to complete either of the above, please see our Social Services Director.

At this time, prior to admission, we are asking if the Resident currently has either a Living Will, Advance Directive or Power-of-Attorney for health care.

( Please be advised that St. Joseph's Senior Home had a policy that allows for the provision of basic nutrients and fluids at all times during care provision ).

**ADDITIONAL INFORMATION**

Please check if Resident owns any of the following:

Wheelchair

Geri-chair

Cane

Walker

**FOR THE RESIDENT'S MEDICAL CHART**

Name of responsible party for Resident : David Martinescu Relationship Son

Address 88 Oak Lane, Woodbridge NJ 07095
